### Christmas Presents for Children with Cancer and their Siblings

Boy did we make a difference this holiday season to some families that have a child with brain cancer struggle to pay their bills while caring for their children during treatment. Holiday presents come second to basic needs, but thanks to some very generous donors, we were able to help make this Christmas one to remember for all the children in these families. 7

Children were "adopted" and all of the items on their wishlists were purchased.

Thank you to the following

families for your generosity during the holiday season: The Haber Families, The Connors Family, The Black Family, The Zarra Family, The Hayes Family, The Strupp Families, The Botsolas Family, The Pathik Family, The Londergan family, The Berryman Family, The Tolliver Family, The Barnes/Wood Family and The Skaaland Family. You all went above and beyond to make this Christmas, one to remember to all of these families!
